

Hello to the Upper San Juan Mixed Conifer Working Group:

I am going to be gone next week so wanted to remind everyone about the exciting upcoming meeting on **Tuesday, September 6th from 5 to 7:30 p.m.** The meeting location will be the basement of the Pagosa Range District Office (USFS) NOT the Community Center. Note: This meeting is not next week, it's after Labor Day 😊

At this meeting, a “dry run” presentation will be done that will eventually be given to various community groups for input and education. **So, please consider this email the agenda and meeting announcement.** Light snacks will be served.

Thanks everyone. I hope you've been having a great summer.
