

San Juan TREX

Prescribed Fire Training Exchange

Sept. 5-16, 2018

DESCRIPTION

Participants will serve in qualified and trainee firefighting positions on a burn team and will assist with preparing, scouting, briefing, igniting, holding, mop-up, and patrol on a controlled burn.

Locations in southern Colorado and northern New Mexico, including the San Juan National Forest and private lands.

OBJECTIVE

Gain fire line experience, work on your task book, improve fire line leadership, and expand ecological fire knowledge at a Prescribed Training Exchange in the San Juan Mountains of Colorado.

Trainee positions for anyone who wishes to participate are available, from beginning firefighter to RxB2 trainee.
