9:30 – 10:00 am Partnership updates

- Special project prioritization
- San Juan WEP alignment
- Earth Day presence? It is very unlikely that I'll be able to make it. Julia may be able to.
- WCCN Confluence in Tuscon April 2-4
- April Mapping and Planning meeting. Bring your projects and spatial data!
- Joint tour with Four Rivers in May
- [Colorado Wildfire Resilient Homes Grant](#). Apply by April 15
- FACO insurance-themed webinar on April 23rd

10:00 – 10:50 am Presentation and Q&A

- Dr. Bill Smith from MSI will present on projects with NASA and Rocky Mountain Research Station that could be happening in the Headwaters geography revolving around a better understanding of ecosystem ins and outs, which could help answer questions about the connection between forests and water.
- How can this research be applicable for us at Headwaters and in the Pagosa community?

10:50 – 11:00 am Closing and next steps

- Alex will be gone and out of reach from March 22-April 22. Please contact Julia with questions.
